

## MODERATOR BIOGRAPHY

**Jeff Heynen**

**VP, Broadband Access and Home Networking**

**Dell'Oro Group**

Jeff Heynen joined Dell'Oro Group in 2018 and is responsible for the Broadband Access and Home Networking market, Fixed Wireless Access Infrastructure & CPE, and Cable Outside Plant market research programs.

Mr. Heynen has expanded the scope of the Broadband Access and Home Networking areas to encompass fixed wireless CPE, virtual CCAP, Remote PHY, remote MACPHY, and DOCSIS 4.0 infrastructure. He has also authored numerous articles and white papers, and his research and analysis have garnered widespread citations in leading trade and business publications.

Furthermore, Mr. Heynen is a frequent expert judge and invited speaker at industry conferences and events.
