

Executive biography

Richard Newman

Chief Strategy Officer

Acumera

Richard Newman is the Chief Strategy Officer (CRO) at Acumera, where he leads product strategy, market expansion, and strategic partnerships. Before joining Acumera, Richard was the Co-Founder and Chief Technology Officer at Reliant, a software company providing an edge computing platform for retail and hospitality. At Reliant, he drove innovation in in-store application delivery, networking, and security for over 16 years until its acquisition by Acumera in 2022.

With over three decades of experience, Richard has held leadership roles across technology and finance, and his deep expertise in technology and strategy continues to shape Acumera's growth and market presence.
